
Friends of the Library of Idaho Falls Endowment Fund

The Friends of the Library of Idaho Falls Endowment Fund, established with the Idaho Community Foundation (ICF) in 2011, was created to institute a permanent income stream to support the Idaho Falls Public Library. The endowment is designed to protect the principal amount while distributing a percentage of the average balance of the fund annually to the Idaho Falls Public Library. In addition to cash donations, other contributions may include the following: securities, real estate, life insurance, gifts by wills, and memorial gifts. If you would like to know more about ICF, please visit them at www.idahocf.org.
