

Grow Your Literacy Skills

How to participate in Grow Your Literacy Skills?

Read eight (8) books from the Intermediate section. Record the title, author, what your favorite part of the book, and the date you completed it. Return the form to a librarian where you will receive a leaf you can write your name on to be placed on the tree. The more you read, the more the tree grows!

Title: _____ Date: _____

Author: _____ Parent/Guardian Initial: _____

Favorite Part: _____
