

KinderPrep Supplemental Name Activity

Write one letter of your child's name on each train car. Use a capital letter for the first letter in the name and lowercase letters for the rest of the name. Color the train. Have your child cut out each piece that has a letter on it. Scramble the train cars and have your child put the letters back into the right order for their name. Glue onto a piece of paper. Have your child trace their name. Count how many letters are in their name.
