

KinderPrep Supplemental Letter Activity

Letter Memory Game

Cut out the cards. Place three letters on a tray, cover them with a cloth, and take one away. Uncover the letters and have your child tell you the name of which letter is missing. To increase the difficulty of this game, try using 4 or 5 letters. Another option is to place three letters on the tray, cover them, and ask your child to recall all three letters that were on the tray.
