

# KinderPrep Supplemental Name Activity

Cut apart the letters. Write your child's name in the top rectangle. Use a capital letter for the first letter in their name and lowercase letters for the rest of the name. Ask them to say their name and point to it. Then have them make their name in the middle rectangle using the letter cards or you can use any other letters you have such as magnetic ones, or they can make the letters out of play dough or pipe cleaners. In the bottom rectangle, have them write their name. They can write their name in different colors to get more practice.
