

KinderPrep Supplemental Pattern Activity

Sing the song to your child. Sing it often, so that they can memorize it and sing it with you. Help your child cut out the stars and diamonds. Make an AB pattern: star, diamond, star, diamond. Can your child continue the pattern? What other patterns can they make?

Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!
