HOW IT WORKS

What can I read?

- You can read or listen to books that you feel are appropriate for your age, reading level, and interests. Magazines/newspapers will not be counted toward the books "read" on your log.

How much do I need to read?

- Set your own daily reading goal. How many minutes, pages, or books do you want to read each day? Then log each day read on this reading log **AND** in Beanstack. If you can not enter your reading in Beanstack, please see a staff member.

When should I get my prizes?

- Level prizes will be earned after each 7 days of reading. There will be several prizes to choose from at each level.

When is the last day to get my prizes?

- Level prizes will be available until 6 pm on Saturday, August 21.
- Ultimate Loot tickets can be entered until 11:59 pm Saturday, August 21.

Is there an auction this year?

- We have unfortunately outgrown the auction format we have had in the past. Now you will earn Ultimate Loot drawing tickets for each different genre you read, and each week you come into the Library and check out a book. You can then choose from the many Ultimate Loot drawings we have, thanks to our amazing sponsors. Enter on your own on Beanstack or have a staff member enter for you at the Library.
