

Official Application Form to Request Funding from MNF

Mae Neuber Foundation (MNF)

Date of Request: February 6, 2025

Contact Information for Requestor: Rodd Rapp, Library Board Chair rrapp@fpl.org

Amount of Request:

\$35,979.00

Description of Request:

In accordance with the founding documents of the Mae Neuber Foundation for the Idaho Falls Public Library (MNF), The Library Board approved expenditure of MNF funds to create a Decodable Book section in the Children's library at the February 6, 2025 meeting. The board is requesting that the MNF Board also approve the project.

How will completion of the project be shown? For example: Receipts, Invoices, Photos.
Invoices for materials purchased for the project will be submitted. The completion of the project will result in a decodable books section being added to the Children's Library.

How MNF will be acknowledged:

MNF will be acknowledged with a plaque in the new section. The MNF will also be acknowledged through the library's social media accounts.

Additional Comments: The Library Board certifies that expenditures for this project will not supplant regular Library funds allocated by the City of Idaho Falls. The funds from the MNF will be supplementary to the funds allotted to the library by the City of Idaho Falls.
