Glowforge: 5 people; total: 91
Resin 3D printer: 2 people; total: 26
Sewing machines: no new people; total: 9

Happy Patron Stories

Just had a patron come up to tell me that he's been coming here for the last few days to kill time, and he just loves it here. He sits on the second floor overlooking the pond, and he says it so tranquil and serene, he loves the atmosphere and the people, and he's just so grateful he's allowed to just hang out here for as long as he wants. – Melissa Rivers

I had a group of kids come up to me and say how excited they are for Teen Inc today. Apparently they have been waiting all week. They went downstairs with some books saying, "See you in 27 minutes!" – Sami Viehweg

I just had a realtor call to see if an address was in the city limits because their client is not willing to give up our Library! – Liza Evans
