### Proposal

Unless noted otherwise this proposal is valid for 30 days or for the time period specified in the bid documents.

**Written notice of acceptance and approval to secure equipment and material must occur in order to avoid cost escalation. No equipment or material will be secured without written approval to do so.**

### To:

City of Idaho Falls Public Library

**Attn:** Matt Bradley/ Musgrove Engineering

**Project:** Idaho Falls Public Library Electrical switchgear replacement Idaho Falls, ID

We propose to furnish all labor, materials, equipment and applicable taxes necessary to complete the electrical installation on the above project, as shown on the drawings and described in the specifications.

**Addenda Noted:** Noted change to Switchgear orientation.

(Unless stated otherwise below, or agreed to in advance, bid items/unit prices are not separable from the total Base Bid.)

**Base Bid:** \$183,000.00 ( Using Square D Switchgear with no guarantee but estimated 46 week lead time after approval)  
**Alt #1** \$198,950.00 ( Using Eaton switchgear with no guarantee but estimated 30 week lead time after approval)

**Notes:** We respectfully point out provisions of the general conditions relative to payment and retainage will be expected in our behalf. Projects that extend significantly outside of the intended schedule at time of bid may incur additional charges. Late Payment fees are 3%. Accrual begins 30 days after invoice and will be added to any unpaid balance of 60 days or more. Agreement in advance is required to alter the above.

### THIS BID DOES NOT INCLUDE:

Warranty on labor or materials on items furnished/provided by others  
 Fees for payment by credit card. Add 3.5% to pay by credit card.  
 Restoration of any finish, surface, where cutting, drilling etc. is required.  
 Bond Premium. (If required add \$call)  
 Cost of utilities for construction purposes. Cost of Utility provided extensions or upgrades.  
 Rock Excavation/Mitigation or excavation of non-standard/unsuitable soils.  
 Federal Wages  
 Winter Conditions  
 Monetary damages due to delays caused by others or which are beyond our control.  
 Monetary rates or values determined by others. Arco Electric stipulates all rates and values related to this bid.

### Sales/Use tax on any equipment or material that is provided by others.

The provisions of this bid hereby remain in force and incorporated into any subsequent contract or agreement. Only specifically itemized and mutually agreed upon revisions, made in writing and signed, will be recognized.

Arco Electric Idaho, Inc.
