- Resin 3D printer: 0 people; total: 27
- Sewing machines: no new people; total: 11

Happy Patron Stories

We had our first official drive thru patron just after we opened this morning! Jane Walker is a long-time patron and is so excited about this new service. Liza Evans

Just had a mom tell me how happy she is that we haven't gotten rid of books since the law passed and that we have books with diverse characters up on our displays. Ashley Larson

I just had a patron so happy to find a book she was looking for on the 7 day loan they she held it up high and let out a "aaaaaaah" then said that finding the book made her whole day! Rebecca Dice

I had a patron call who doesn't live in the area anymore but still does EBN and wanted me to pull a wild card for her. She wants me to pass along how much she still enjoys doing the challenge. Rebecca Dice
