

Get rewarded for reading!

For students in 7th-12th grades.

How it works: Your challenge is to read at least ONE book a month. If you read more than one book per month, awesome! (Sadly, you don't get extra rewards from IFPL.) You cannot work ahead.

Record the author and title for the book you read each month on this log or on Beanstack, then come to the 2nd Floor Desk to claim your prize. Limit one prize per book per month.

Items you can count: Junior Fiction; Young Adult Fiction and Nonfiction; Junior and Young Adult Graphic Novels; Adult Fiction and Nonfiction; and Large Print. Audiobook and eBook versions of these books are accepted and encouraged. All books must be at least 150 pages. Anything you read for school or other IFPL reading challenges (e.g. Summer Reading) counts for this challenge.

Items you cannot count: Anything else from the Children's Department EXCEPT for Junior Fiction and Graphic Novels; newspapers; magazines; PDFs; websites; fan fiction found on the internet; books under 150 pages.

Participants cannot be enrolled in either of the Extreme Book Nerd programs and Turn the Page at the same time – you must choose the ONE program that works best for you.

You MUST have a current library membership in order to be eligible to pick up prizes.

Prizes are available until January 15, 2026.
